SCHOOL UNIFORMS FOR DESTINY HOME'S CHILDREN

Major (R) Peter Yew and fifteen (15) of Destiny Home's children in Taman Melawati were waiting to receive President Chee Hong and Rtn. Ivan Christie on the morning of 29th December 2006. The children ranges from primary to secondary school students including one who is waiting for his SPM results.

It was with much merriment that the entourage proceeded to Jaya Jusco, Alpha Angle in Wangsa Maju. We were all greatly touched by the sight of the elder children who helped the younger ones to try on the uniforms to fit their respectful sizes. Soon the happy faces of the children armed with new set of uniforms, a pair of shoes and a brand new school bag each were seen trooping out of the Jaya Jusco. We were by then joined by our Community Service Director, Rtn. Toh Seng Teck.

It was a unanimous decision on the side of the children to have lunch at McDonalds. After a sumptuous meal we proceeded to send the children back to their home, each very well satisfied with their outing .
